NOTE FOR: Mr. Bannerman via Mr. Coffey

Our recent discussions indicated that you had not had the opportunity to read the Agency's report to the Civil Service Commission following its review and evaluation of our Career Training System. This report dated 20 November 1968 was for the use of the Civil Service Commission in drafting its response to the President's call to all agencies for a survey of Career Training Systems throughout Government.

The report is an extensive one and is available for your review if you would wish it; however, attached hereto is a summary prepared by Mr. [] which will, I think, provide you with the essentials of the report.

25X1

I might also add that you have already had the opportunity to review summaries of two of the studies which Drs. [] prepared on the job related attitudes of our newer professional employees.

25X1

This is summary of A & H study of results of CSC questionnaire which was used in preparation of report to the CSC.
